NEW ADDITIONS

Partner Webinar Presentation Notes and Q&A – Friday, March 27, 2020

April 1, 2020

Thank you for joining Wellpath on the COVID-19/Coronavirus Partner Webinar on Friday, March 27, 2020. Click here to access the presentation slides. Click here to access the Q&A.

Keeping it Clean

March 30, 2020

Avoid infection with cleaning, disinfection, and hygiene One of the best ways to avoid infection with COVID-19 is keeping a safe distance – at least six feet – from an infected person. That may be difficult in most correctional or detention facilities. While the likelihood of contracting COVID-19 from hard surfaces or paper products is lower than airborne, the Centers...
