Craig Diamond // SVP Marketing & Communications

# Executive Update

Jorge Dominicis // CEO

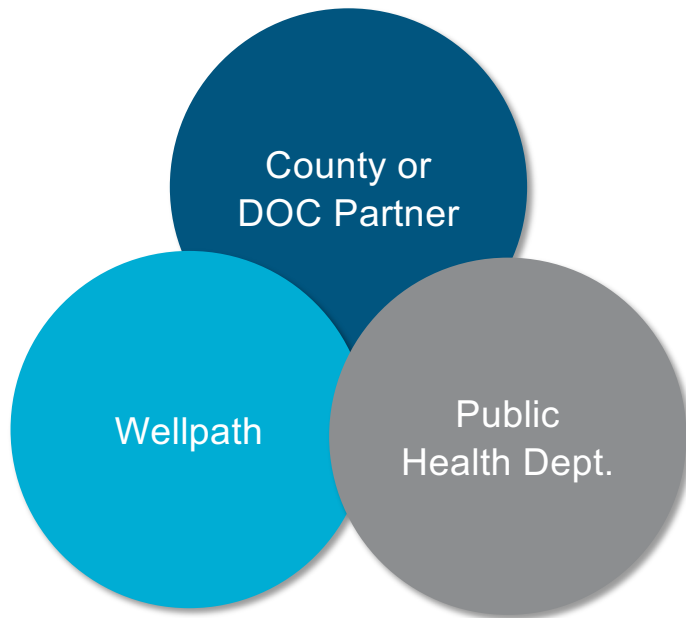

# Clinical Guidance: Public Health Triad, Masking & Testing

 wellpath<sup>SM</sup>  
To hope and healing.

Dr. Tom Pangburn // Chief Clinical Officer  
Dr. Bill Ruby // Associate Chief Clinical Officer

# Public Health Triad

---

- Monitoring the community
- Following Patients
- Expanded Tracing
- Testing, cohorting, PPE

Dr. Tom Pangburn // Chief Clinical Officer  
Dr. Bill Ruby // Associate Chief Clinical Officer

# Proposed Policy on Masks

---

**Wellpath is considering a recommendation that everyone in the company of others should be masked.**

Includes patients and all correctional and medical staff

Dr. Tom Pangburn // Chief Clinical Officer  
Dr. Bill Ruby // Associate Chief Clinical Officer

# Testing

---

**Wellpath has an adequate supply of test kits and testing capacity to meet our testing protocol for patients and our staff.**

We support more aggressive testing if test kits and testing are provided by state or local agencies.

Teresa Koeberlein // Vice President, Governmental and Public Affairs  
Kip Hallman // President

Sheriff's Headquarters & Essex County Correctional Facility

Kevin F. Coppinger, Sheriff

# COVID-19 TIMELINE

## January – April, 2020

---

- Late January - ECSD began ordering PPEs, cleaning supplies, etc. Enhanced Intake screening begins with Wellpath.
- March 10 - Governor Charles Baker declares State of Emergency, ECSD initiates its Incident Command System.
- March 14 - ECSD restricts public access to its facilities. Attorney visits are allowed but are no contact. Inmate phone access expanded; 2 free 30-minute calls weekly offered.
- March 17 - “New Man Unit” operational.
- March 18 - Civil Process Division and Offices of Community Corrections reduced to skeleton crews.
- March 20 - Female CASE Unit moved to other facility; Voke 4 becomes secondary MHU for at-risk patient care.

## COVID-19 TIMELINE January – April, 2020

---

- March 26 - N95s issued to all personnel to wear when needed.
  - Video clips shown in all housing units to update inmates on all prevention procedures, etc. A public version also shown on social media.
  - National Guard provides screening tent. All entering have their temperatures checked and are asked pertinent health related questions.
- March 28 - First +COVID Correctional Officer.
  - Mandatory wear of surgical masks for all staff, optional for inmates upon request.
- March 30 - Second +COVID Correctional Officer.
  - Beth Israel Hospital in Boston agrees to process tests.

# COVID-19 TIMELINE

## January – April, 2020

- April 3 - **First +COVID inmate** 240D Unit locked down. Protocols in place for housing +COVID cases. Isolation procedures begin.
  - Mandatory wear of surgical masks for all inmates while outside of cells.
- April 5 - **6 +COVID inmates in total.**
- April 7 - All staff now mandated to wear N95s.
  - “Safe keeping” of prisoners from local PDs discontinued.
  - HHS Secretary contacted for needed test kits. 100 received.
- April 8 - **14 +COVID inmates in total.**
- April 10 - **28 +COVID inmates in total.**
  - Middleton facility “locked down” until further notice.
- April 10 to present: Aggressive testing continues, numbers diminish.

### NEW ADDITIONS

#### Partner Webinar Presentation Notes and Q&A – Friday, March 27, 2020

April 1, 2020

Thank you for joining Wellpath on the COVID-19/Coronavirus Partner Webinar on Friday, March 27, 2020. [Click here](#) to access the presentation slides. [Click here](#) to access the Q&A.

#### Keeping it Clean

March 30, 2020

Avoid infection with cleaning, disinfection, and hygiene One of the best ways to avoid infection with COVID-19 is keeping a safe distance – at least six feet – from an infected person. That may be difficult in most correctional or detention facilities. While the likelihood of contracting COVID-19 from hard surfaces or paper products is lower than airborne, the Centers...
